This is a great Winter Warmer that will please even the fussiest Hot Chocolate Lover!

The best thing about this recipe is that it can cater to all tastes and dietary needs.

Use dark, milk or white chocolate (or a mixture) depending on how sweet your tooth

Use more or less chocolate to suit your taste

Use full fat, light or soy milk to suit your diet

Ingredients

50grams Belgian Chocolate Shavings

250ml milk

Method

Heat milk in a saucepan on stovetop to desired temperature

(For one serve, you can heat the milk in a mug in the microwave if easier)

Pour chocolate shavings into saucepan and whisk until chocolate is melted

Pour into mugs

Sprinkle with cocoa

Sit back, relax and enjoy!

From June 2009 The Truffle Baron will have chocolate shavings available in our product range to use for this recipe.
